

City of Orange City

Adopt-A-Park Program

The Adopt-A-Park Program is a volunteer litter control program sponsored by the City of Orange City. Participants agree to pick up trash and litter in the city park they adopt, on a monthly basis for a period of two (2) years. Adopters may select any unadopted park in Orange City that your group or organization can handle within your time and man-power constraints.

Adopt-A-Park is built on the concept that volunteers at the local level, helping to keep their community parks clean, will foster community pride. This in turn will contribute to a safer city and retention of property values. It concentrates on individuals, small organizations, and local businesses taking responsibility for their community.

Adopt-A-Park aims to promote neighborhood cohesiveness and to project an attractive city with a comfortable quality of life. Joining the Adopt A Park Program is a way to get acquainted with your neighbors. There are no costs involved in participating in our Adopt-A-Park program, only a little of your time.

Participants are organizations, businesses and individuals.
