## **Orange City announces military tribute banner program**

**ORANGE CITY, Fla.** — The City of Orange City is excited to announce the Hometown Heroes Military Tribute Banner Program. The goal of this program is to honor and recognize Orange City residents and their immediate family members who currently serve or have served in the military. Banners will be displayed in Orange City's historic corridor for the month of November.

Veterans living in Orange City or Orange City residents with a family member who is serving or has served in the military are able to be part of the inaugural program.

This program is free to veterans and their families thanks to the city's partnership with AdventHealth Fish Memorial.
